Abstract Guidelines

We are excited to announce the call for abstract submissions for our upcoming event.

We invite researchers, practitioners, and healthcare professionals to submit abstracts for poster presentations at our upcoming event on 25 and 26 September 2026.

This is an excellent opportunity to showcase your work, share insights, and contribute to advancing cancer care in Qatar.

Category 1: Original Research

Background/Introduction:

- Brief scientific context
- Study rationale

Objectives

- Primary objective
- Hypothesis, if applicable

Methods

- Study design
- Setting
- Study population and sample size
- Inclusion and exclusion criteria
- Statistical analysis

Results

- Key quantitative findings
- Statistical significance, where applicable
- Avoid vague statements such as “results will be discussed.”

Conclusion

- Directly supported by results.
- Clinical or scientific relevance

Category 2: Clinical Audit/Quality Improvement

Background

- Clinical problem
- Importance of the audit or quality improvement topic

Aim and Audit Standard

- Audit standard or benchmark used

Methods

- Audit design
- Data collection method
- Timeline
- Intervention implemented, if applicable.

Results

- Baseline findings
- Post-intervention findings, if a re-audit
- Compliance percentages where possible

Conclusion

- Key lessons learned
- Impact on practice
- Sustainability recommendations

Category 3: Case Report/ Case Series

Background

- Brief context and relevance

Case Presentation

- Patient demographics
- Presentation
- Diagnostic workup
- Treatment/intervention
- Outcome
- Patient consent obtained, where applicable

Discussion

- Educational value
- Relevance to existing literature
- Novel aspects of the case

Conclusion

- Main learning point

Category 4: Systematic Review/ Narrative Review

Background

Objective

Methods

- Search strategy
- Databases searched
- Inclusion and exclusion criteria

Results

- *Main findings and themes*

Conclusion

- Clinical or scientific implications

Abstracts will only be received through our online submission platform
