CPD Platform Administrative Levels

Target Audience Departments Admin 2 and 3

Objectives

By the end of this session:

- Log in to your admin account
- Assign the coordinator
- Edit and publish the activities
- Print QR codes for attendance
- Import attendees
- Export attendance data
- Export survey data
- Prepare certificates

Click on **www.hamad.qa** and go to either the Events Page or Medical Education.

For admin 2 and 3, your admin will add your details and you will receive the email with login credentials as shown below.

Printing QR Codes

- Print QR Codes for Check-In and Check-Out.
- Each QR Code is valid for 30 minutes (15 min before the start and end of the activity; and 15 min after the start and end of the activity).
- You can either print or display the codes for Check-In before the activity and Check-Out after the activity.

Printing QR Codes

• When you click on Print QR Codes, you can see Check-In QR Code and Check-Out Code accordingly.

Export Attendance Data & Export Survey Data

• After the Training/Activity, from Coordinator Dashboard, click on Export Data to export attendance data and survey data.
